

Kavel 39

Kavel 39

Kavel 39

The diagram consists of several horizontal lines with numbers placed above and below them. The numbers are arranged in a way that suggests a sequence or a set of values. The numbers are: 100, 3100, 370, 480, 850, 1090, 920, 100, 2690, 370, 600, 370, 980, 70, 2500, 100, 3290, 370. The numbers are connected by horizontal and vertical lines, forming a grid-like structure. The numbers are arranged in a way that suggests a sequence or a set of values.

$\begin{array}{ccccccc}
370 & 2830 & 100 & 3410 & 370 & 600 & \\
370 & 2830 & 100 & 4010 & & 370 & \\
370 & & 3550 & 100 & 3290 & & 370 \\
370 & & & 6340 & & 370 & 600 \\
370 & & & 6340 & & 370 & 600 \\
& & & 7080 & & & 600 \\
& & & \text{Kavel 39} & & & 
\end{array}$

Diagram illustrating the calculation of Kavel 39:

- Top line: 370, 6340, 370, 600
- Bottom line: 7080, 600
- Label: Kavel 39
